Dear Stuart and John

2005 STIHL SALES

Whilst somewhat belatedly, I want to take this opportunity to formally congratulate Cannings Outdoor Power Equipment on being our number one Dealer in Australia in 2005 as measured by STIHL \$ sales. It has not been customary for us to recognise this milestone in the past but I believe it is important as it is a highly notable achievement and is generally recognised in other industries such as the automotive industry. As you will appreciate this is clearly different from the National Dealer of the Year which is based on a broad range of factors.

Stuart and John, congratulations once again and equally importantly thank you for your great loyalty to STIHL over countless years – something which the STIHL family and myself genuinely appreciate.

Best regards

Yours sincerely,
STIHL PTY. LTD.
